

MARKTOMLINSON.IO

CA Portfolio Website

Purpose & Aim

- To provide a clear and aesthetically pleasing introduction to me as a junior developer.
- Sorry. Junior DEV.
- Personal, professional, or both?
- Demonstrate my (fledgling, neophyte, rookie, embarrassing(?) SKILLS.

The website and its features

- Letting things speak for themselves
- You want four pages? I'll give you four pages.
- Technically I gave you more with my, err, convoluted, I mean GREAT blog idea (but we'll come to that)
- Anyway...

Home

- Aims to establish tone and visual language immediately (clear identity - it's so key, you know?)
- Grid! Hail, mighty grid. Let me pay you homage
- Minimalism (should I rant about this here? Probably not)
- Leading the eye...

About

- A fact about me is that I hate having my photo taken
- Copy (i.e. the words on the page) are more important than you think!
- Hail to the grid. But also to the BOX-SHADOW (h/t Aaron). Does anyone still write 'h/t'? Is that still a thing?

TOP DEFINITION

h/t

hat tip; tip of the hat

1. Apple is releasing their <insert new slick thingmabob here>. H/t to <insert blog here>, who alerted us of this story.

Skills

- I don't yet have them, but I'm trying
- A word about the flow of the website (teaser, teaser, payoff)
- What's Picasso got to do with anything?

Blog

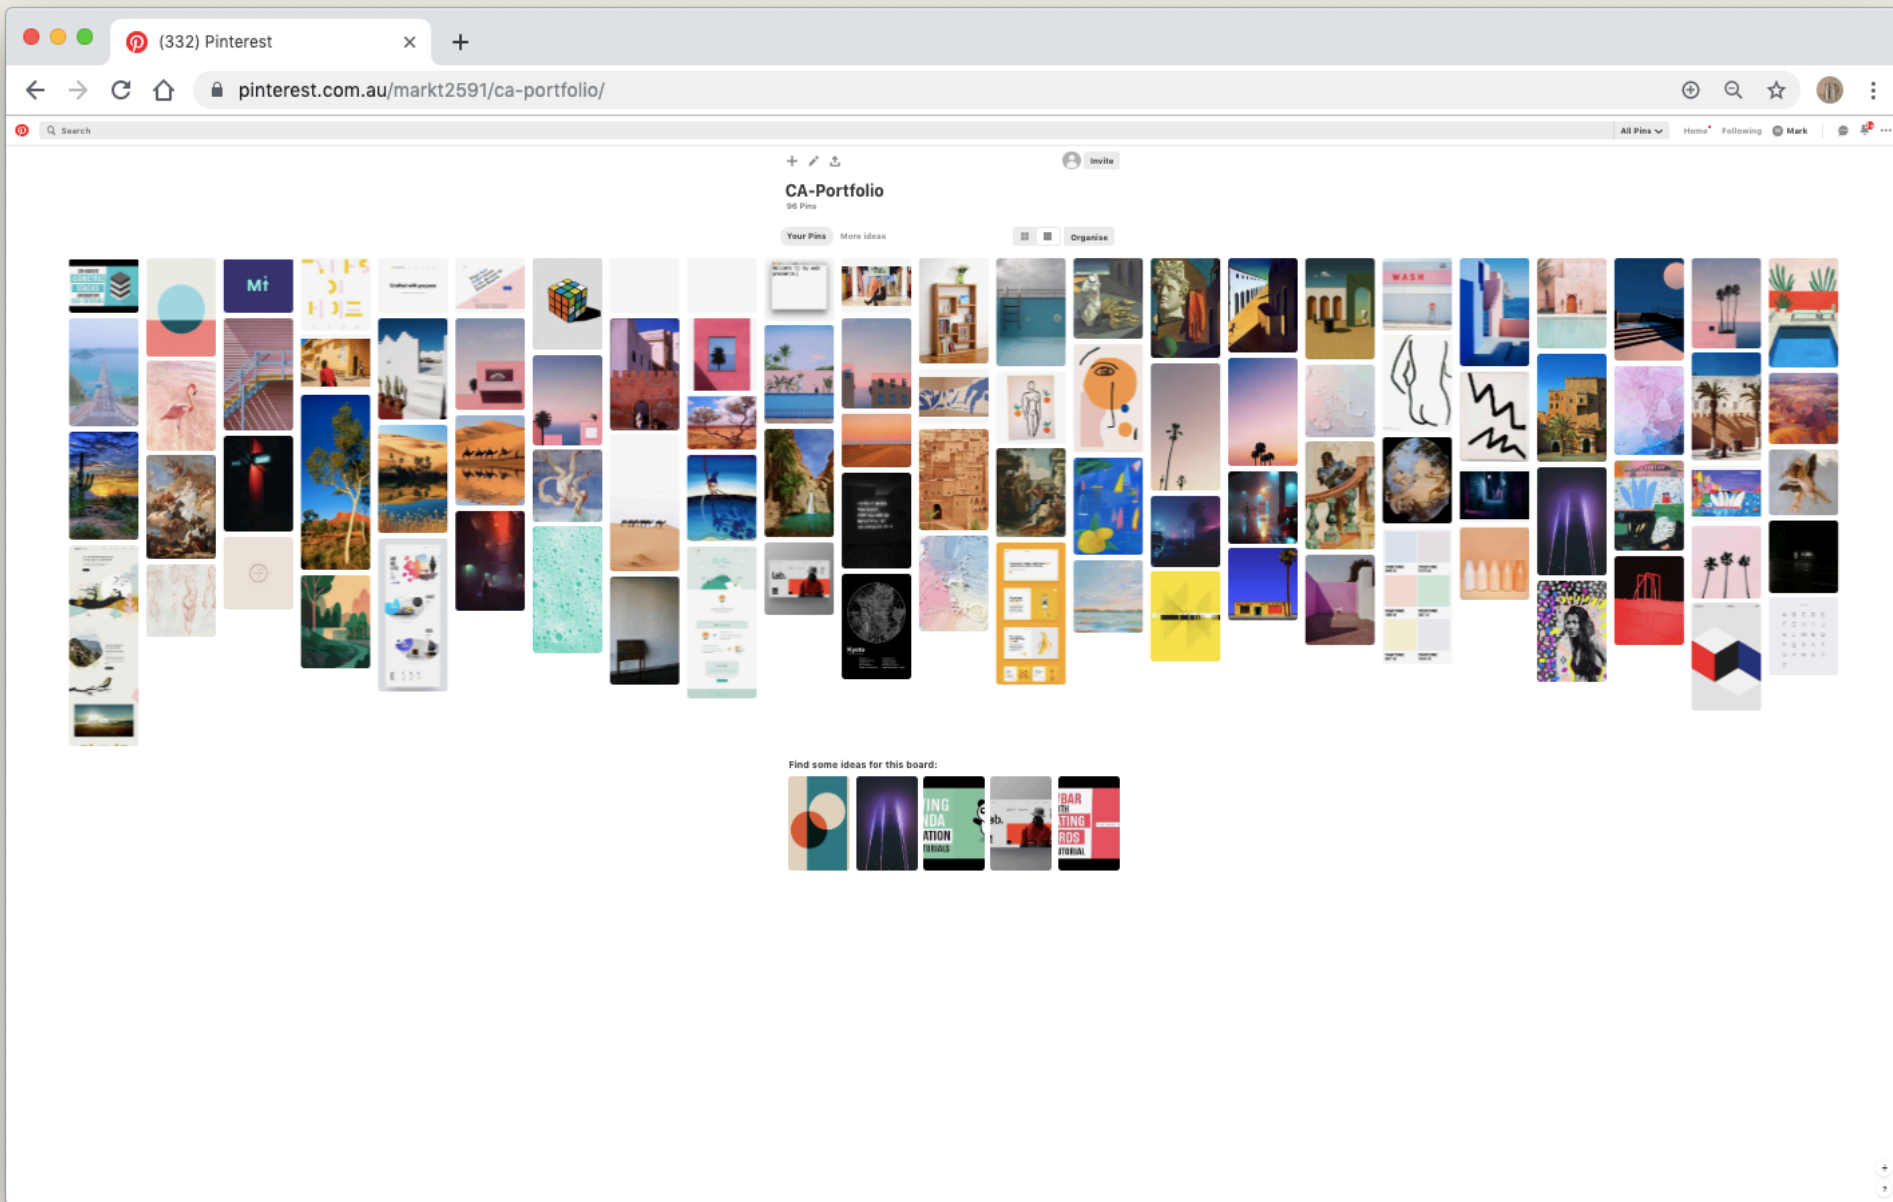

- A mini site within the site
- So many grids.
- Don't worry, flexbox. I haven't forgotten about you
- Who remembers 2005?
- Why I designed it this way. And what that says about us as a species

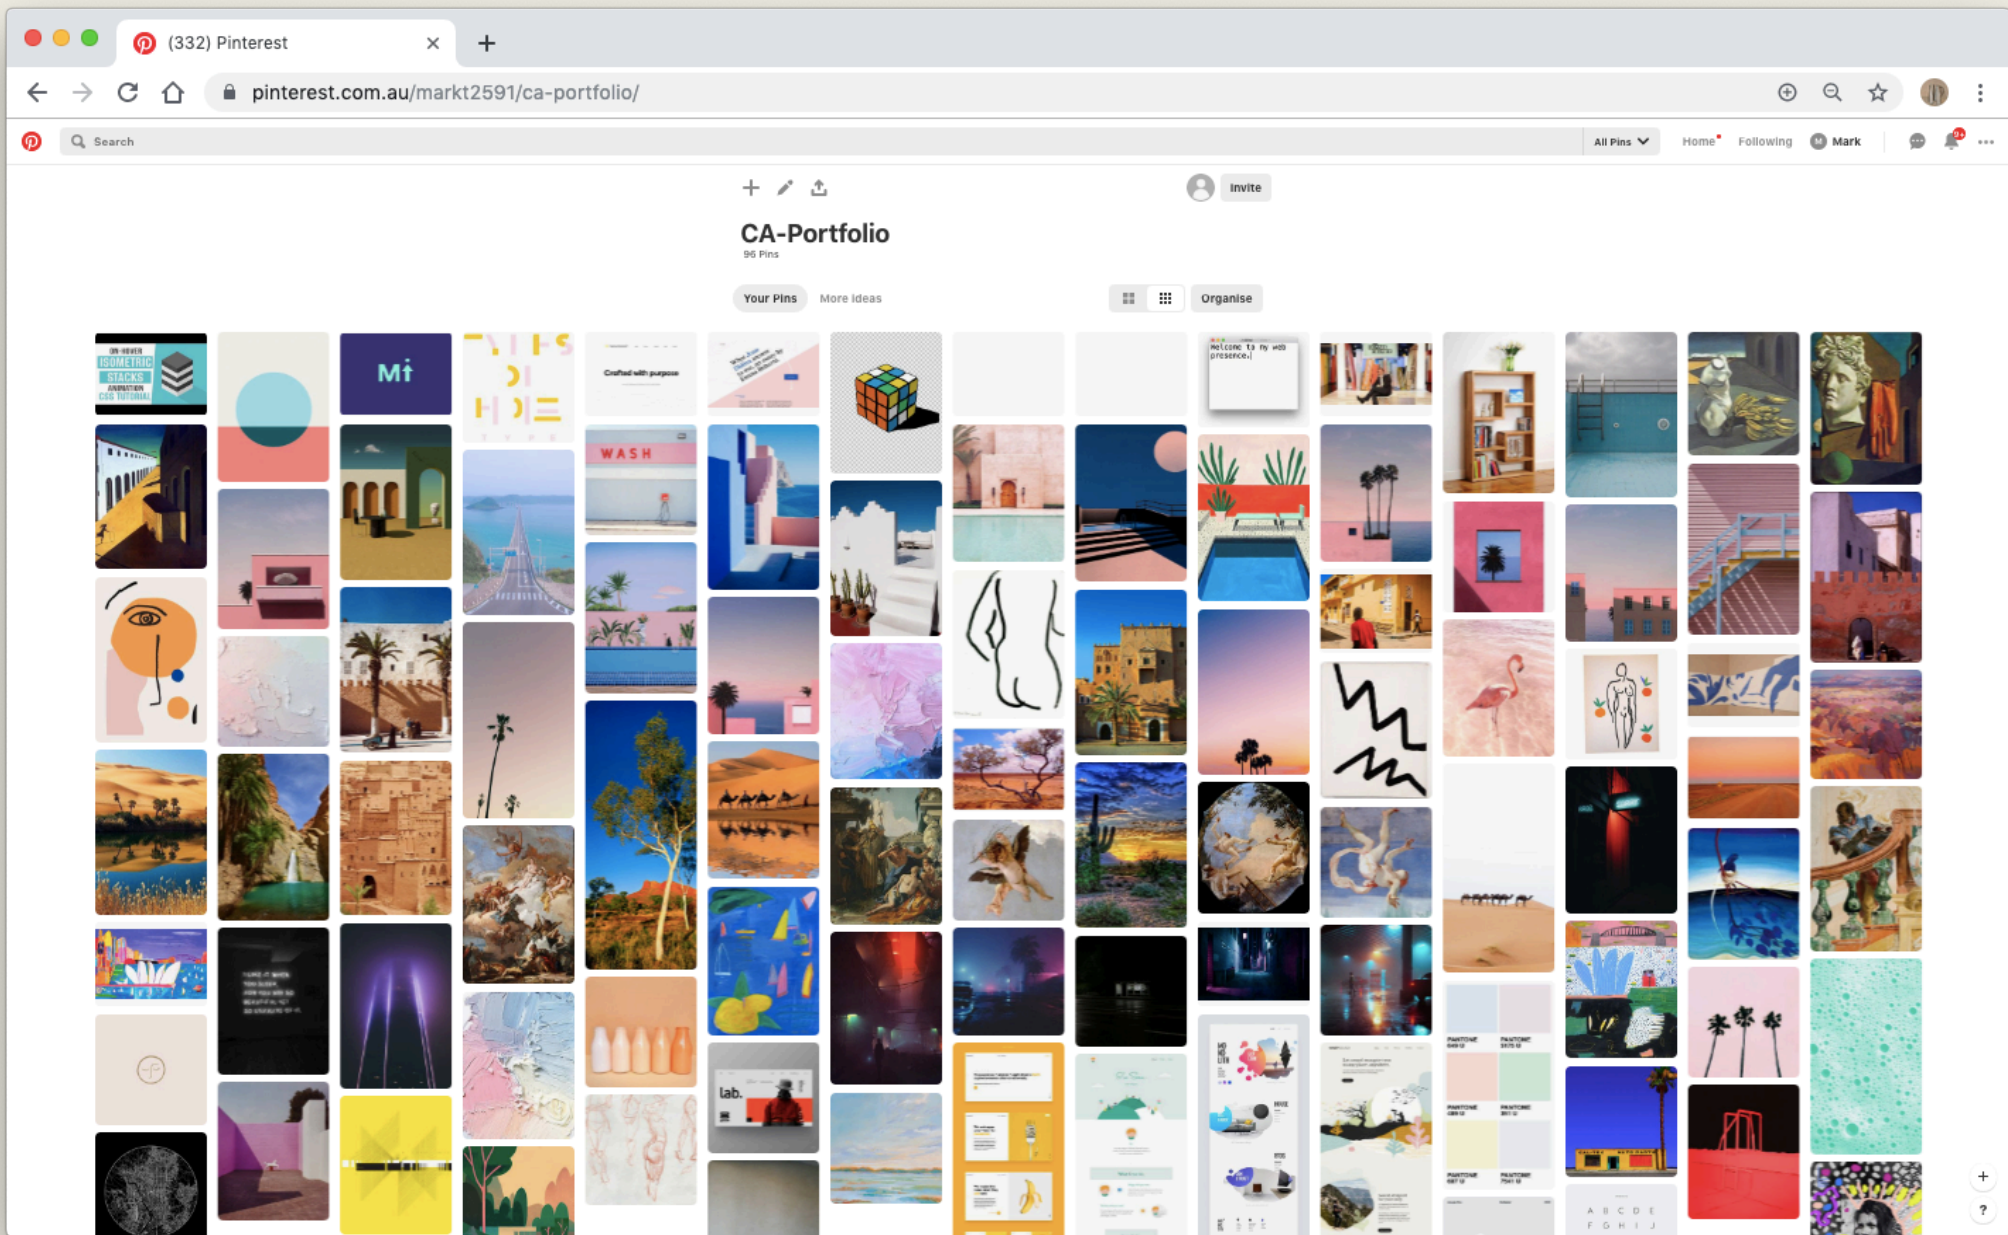

Contact

- I look forward to hearing from you at your earliest convenience

DESIGN PROCESS

- Where to begin?

Does CSS x CSS Grid x A Comple x Blog Card x CSS Grid x How to cl x CSS Grid x Web Des x A Compr x Becomin x Acodemy x

Acodemy - Blockchain edition

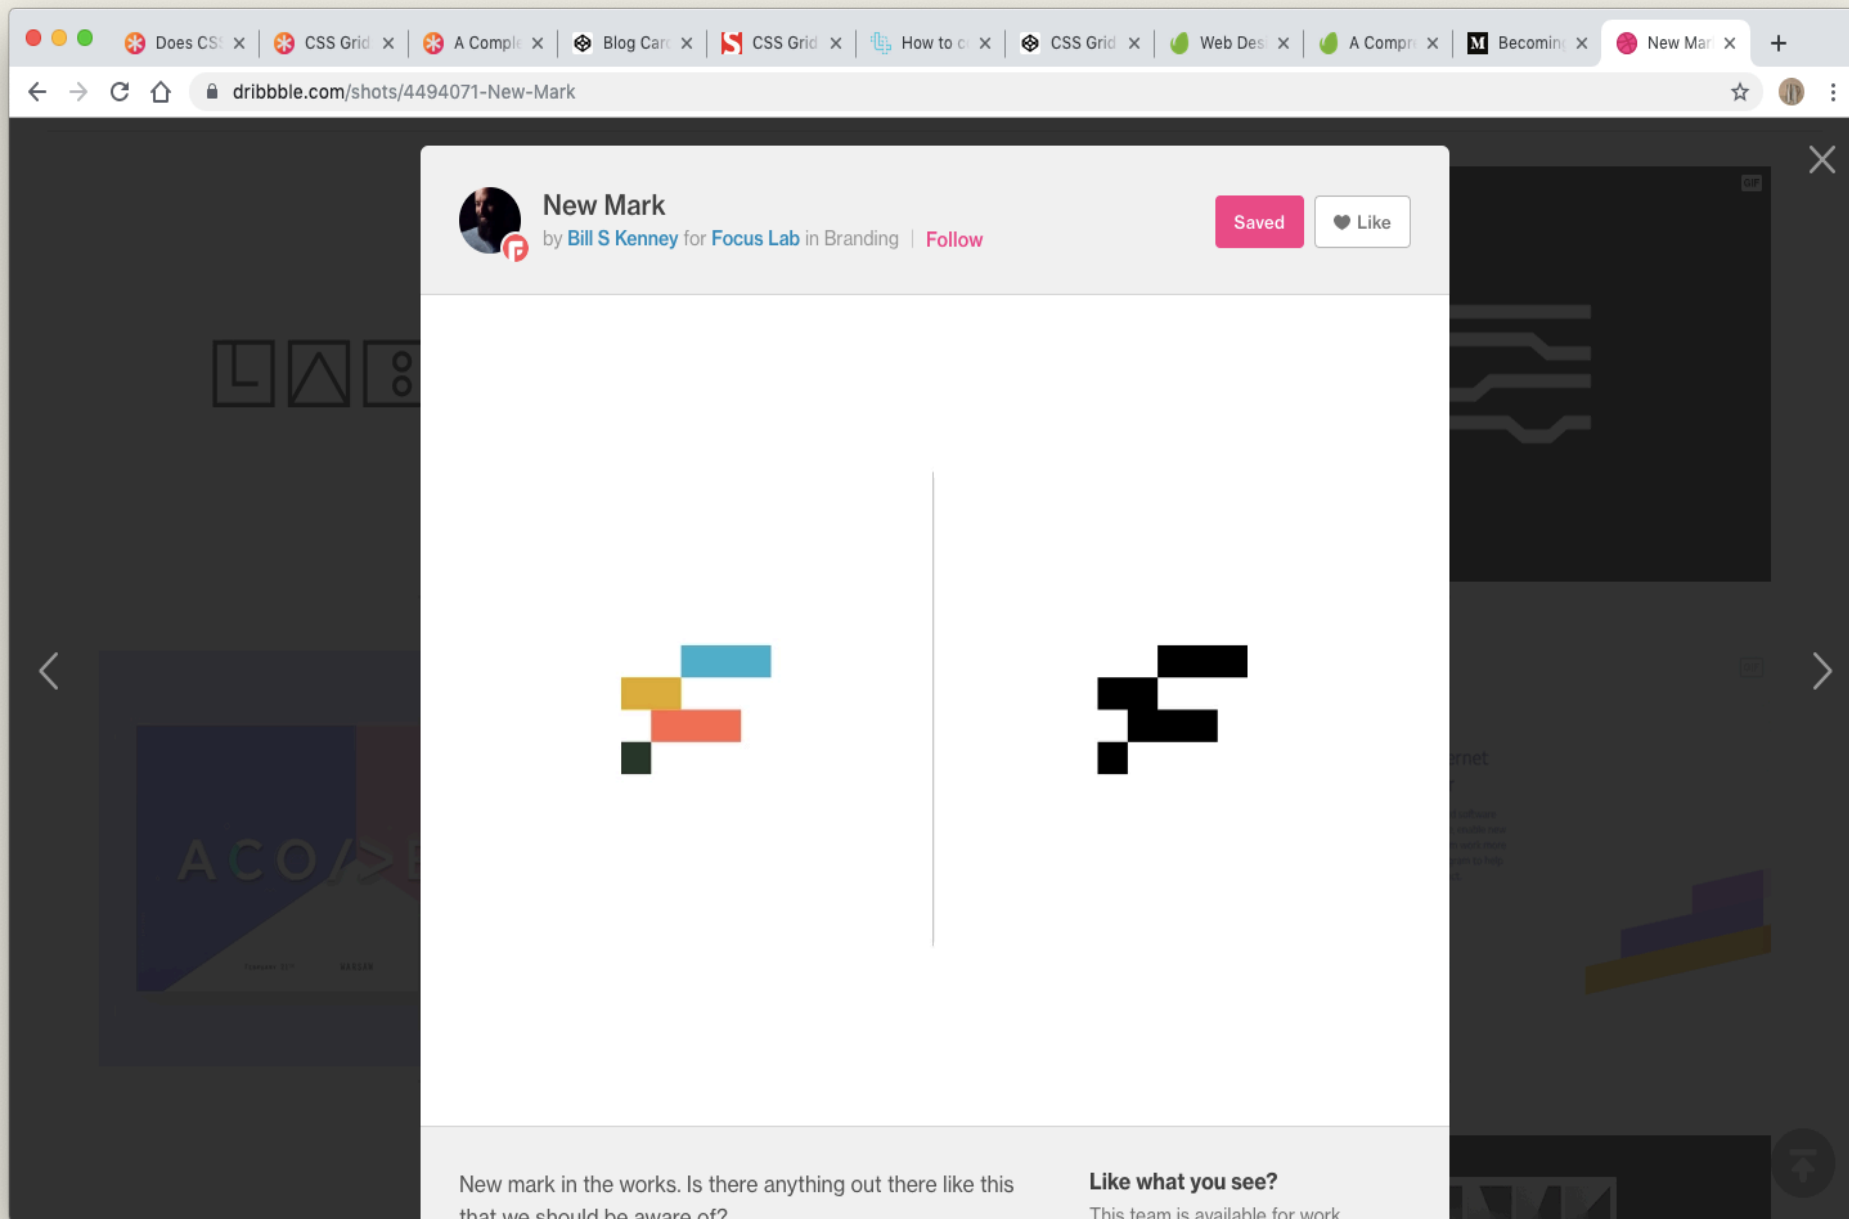

by 10Clouds

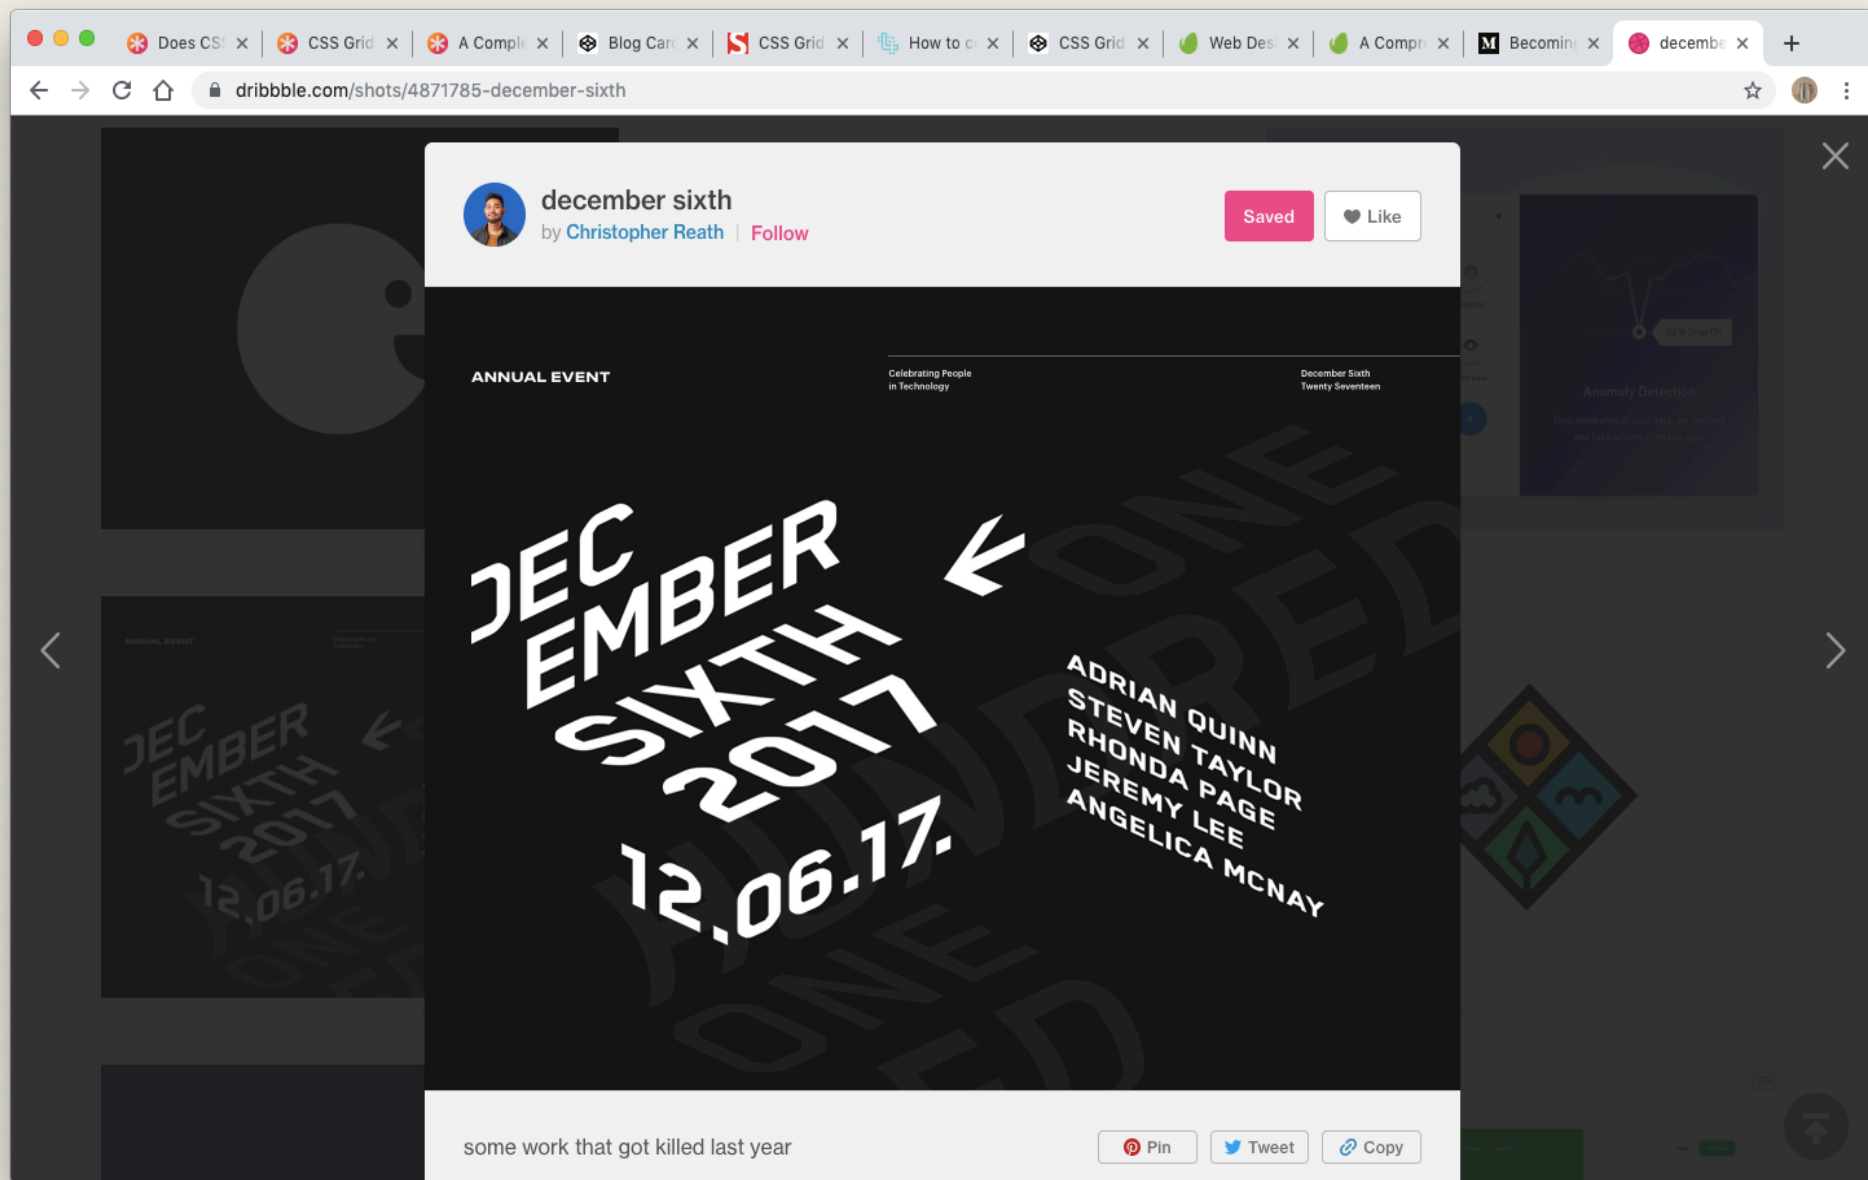

Saved Like

The graphic is a square divided diagonally from the bottom-left to the top-right. The upper-left triangle is blue, and the upper-right triangle is pink. The word 'ACODemy' is centered in a white, 3D-style font. The 'O' in 'ACO' contains a small white cloud icon with a blue outline. The 'Y' in 'EMY' has a small white cloud icon with a blue outline. Below the main text, the words 'POWERED BY 10CLOUDS', 'FEBRUARY 21TH', 'WARSAW', and '19:00 CET' are written in a small, white, sans-serif font. The background of the entire graphic is a light purple gradient.

10Clouds organizes a popular meetup for developers under brand 🤖🤖. The first few editions took place

Like what you see? This team is available for work.

Colour

- Why pastels? And why these particular pastels?
- Let's get personal
- Oh, and don't forget about white!
- Linear gradients are like people. And I won't listen to your counter-argument.

A review of my development/build process

■ Challenges

- *Settling on a visual language / design theme*
- *Responsive design*

■ Favourite parts

- *Refactoring the UI (as much as I could)*
- *Being creative*
- *Writing this presentation*

Thank you

- I really mean it
